Preparing for
statutory Relationships
and Sex Education

Let's talk about it...

Here at KGS we believe passionately in high quality Relationships and Sex Education (RSE) for all children. For many years we have worked closely with the Sex Education Forum (SEF) and It happens...let's talk about it. SEF is the country's leading organisation promoting and delivering relevant, up-to-date and inclusive RSE, while Alex Fryer and Amy Forbes-Robertson from It happens are known to hundreds of schools up and down the country for their straight-talking presentations and workshops on RSE.

KGS delivered their first national conference in 2016, *SRE for Generation Z*. We now feel it is important to ensure that primary school teachers are adequately prepared for the new reforms. Our most recent conference in March this year, *Countdown to Statutory RSE*, focused on what schools should be doing in preparation.

Together with **It happens**, we would like to offer you a CPD opportunity to help your school prepare for the changes to the teaching of RSE at KS1 and KS2. This course will provide you with relevant information, practical advice and teaching resources at no charge.
